You Are Welcome Here.

Trusting Jesus!

“Most of us have never really understood that Christianity is not a self-help religion meant to enable moral people to become more moral. We don't need a self-help book; we need a Savior. We don't need to get our collective act together; we need death and resurrection and the life-transforming truths of the gospel. And we don't need them just once, at the beginning of our Christian life; we need them every moment of every day.”
