

## A Mid-Week Update from Cornerstone Church

Easter week has now come to an end, but our hope is that Sunday we celebrated Jesus' resurrection and Monday we lived in its truth!

If you missed our Good Friday sermon, Easter Sunrise Service, or the Sunday Morning Service I have provided the links below for you. Either click on the links or copy and paste them into your browser! Also, feel free to share these videos with any family or friends who you think will benefit from them.

This coming Sunday we are back into our sermon series entitled "The Parables of Jesus". I am really excited to dive back into that series in Matthew and finish chapter 13 of the book of Matthew. If you would like to get reoriented, read Matthew chapter 13 and we will be covering verses 44-46 this coming Sunday.

This week I am calling all Cornerstone people to be praying. Pray for our Church leaders. Pray for the families. Pray for the lost and blind. Pray for our county, our state leaders, and local government. Pray for your friends and family. Pray that God would use you in a time as this to reveal the freeing truth of the Gospel. Praise God in prayer! Thank the Lord in prayer. We know that prayer is powerful, needed, and pulls the Lord's followers in together! Prayer is to permeate a Christian's life in every way! Therefore, let us pray!

#### ***Ephesians 6:18 NLT***

*Pray in the Spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere.*

I also wanted to thank you all who have been sending in letters of encouragement! They mean so much to myself that I have been scanning them and sending them out to the other staff and Elders! We all, here are Cornerstone Church, have been talking about how reminded we are that church family is important and what incredible love and support we provide each other in Christ! For many of us, it took a pandemic and a "Shelter In Place" order for us to remember that. Remember that your church family love, cares, and is here for you! If you reply to this email, it goes directly to myself. Let me know if you need anything!

We love and care for you and will continue to pray for our entire congregation!
